

FIG. 1 is a schematic diagram of a multi-dealer blackjack game table layout. The layout includes a dealer area at the top with a 'Dealer No.' field (34), a 'Dealers' Dealt Cards' area (62), and a 'Hit' button. Below this is a player area (60) with 'Player(s) Hand/Dealt Cards' and a 'Hit' button. The player area also includes a 'Wager' field (48) and a 'Play' button (18). The dealer area features multiple dealer positions (Dealer 1, Dealer 2, Dealer 3, ..., Dealer n) each with a 'WAGER' field (46, 42, ..., 12) and a 'Hit' button (54). The dealer area also includes a 'Card' field (38, 40, ..., 54) and a 'Hit' button (54). The player area includes a 'Card' field (36) and a 'Hit' button (54). The layout is enclosed in a rectangular frame (10) with a 'Hit' button (16) at the bottom left. A 'Wager' field (24) is located at the bottom right. The layout is labeled 'Fig. 1' at the bottom left.
